Eriez® Announces Promotion of John Klinge to Product Manager--Metal Detection

Erie, PA.—Eriez®, world authority in advanced technology for magnetic, vibratory and inspection applications, announces the promotion of John Klinge to Product Manager—Metal Detection. Klinge will report to Jeff Kaveney, Manager of Product Marketing.

In his new role, Klinge will oversee metal detection inquiries, orders, product development and improvements, marketing, training and sales forecasts. Klinge joined Eriez in 2008, previously serving as a Technical Sales Representative.

“John’s extensive training in our magnetic separation, vibratory, metal detection and x-ray inspection system products have prepared him well for his new position,” says Kaveney. “John brings impressive technical knowledge, talent and energy to Eriez,” he adds.

Klinge holds a bachelor’s degree in political Science and Business, and Military Science from the University of Pittsburgh. He has served as a Captain in the U.S. Army.

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company’s magnetic lift and separation, metal detection, x-ray, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries. Eriez manufactures and markets these products through ten international facilities located on six continents. For more information, call toll-free (888) 300-ERIEZ (3743) within the U.S. and Canada. For online users, visit www.eriez.com or send e-mail to eriez@eriez.com. Eriez World Headquarters is located at 2200 Asbury Road, Erie, PA 16506.
