Eriez® Announces Record Number of Orders in 2010

Erie, PA--- Eriez®, world authority in advanced technology for magnetic, vibratory and inspection applications, is pleased to announce the Company has booked more than 11,000 orders in 2010, setting an all-time high record for number of orders entered in a year. According to Charlie Ingram, Vice President of Sales and Marketing, the previous high mark was set in 1997.

“This accomplishment, in fact, represents 11,000 contracts with Eriez to provide our products and services to thousands of customers this year,” says Ingram. “It’s a team effort to support the kind of trust our customers place with us in a broad variety of industries from food processing to recycling, coal and metalworking.”

Tim Shuttleworth, President CEO, explains, “We believe our strategy of innovation, diversification and investment has helped us remain profitable in this down economy.” He adds, “Eriez’ presence in a broad array of industries is an essential component to our success. When one market is soft, we have the ability to refocus on a stronger market.”

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications. The company’s magnetic lift and separation, metal detection, x-ray, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries.
